

Gas Cylinder and Aerosol Storage

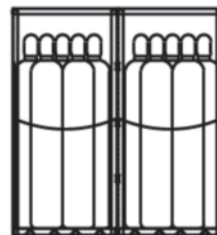

Aluminium Gas Cylinder and Aerosol Stores

These 100% welded aluminium lockers are manufactured to comply with AS 4332 - 2004, for the safe storage and handling of LPG & compressed gases in cylinders, also aerosols. The "no rust" solution gives an organised look to the expanded multi-cabinet storage range. These lockers offer superior features that make them extremely durable and easy-to-use.

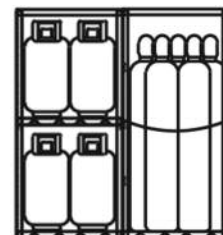

Code	Description	W x H x D mm
M23006	5-10 vertical compressed gas cylinders	760 x 1800 x 815
M23007	10-20 vertical compressed gas cylinders	1510 x 1800 x 815
M23008	Combo. 8 vertical LPG & 5-10 vertical compressed gas cylinders	1510 x 1800 x 815
M23009	4 x 15 LPG cylinders vertical	760 x 960 x 815
M23010	8 x 15 LPG cylinders vertical	760 x 1800 x 815
M23011	16 x 15 LPG cylinders vertical	1510 x 1800 x 815
M23012	2 x 15 LPG cylinders vertical	760 x 960 x 450
BGT01	Stainless steel gas cylinder trolley	-
M23SGNOXY	Gas cage danger signage for oxy acetylene	600 x 450
M23SGNFUEL	Gas cage danger signage for LPG	600 x 450

The four-wheeled BGT01 stainless trolley safely handles heavy & tall compressed gas cylinders without effort

Code: M23007

- Sloped roof design sheds water and ice. Solid top reinforces stability.
- Complete range of warning and full/empty cylinder signs available.
- Extruded 3mm thick, heavy aluminium framework provides superior strength.
- Easy-to-use rack positions cylinders securely and stores 15kg cylinders.
- Heavy, expanded, 7mm thick aluminium mesh panels and all-welded construction resist abusive outdoor elements - won't rust or discolour.
- Padlock lug for security.
- Aluminium's long lasting durability keeps your gas cylinders safe and your property looking clean.
- Ships fully assembled to save on set-up time. Weights 66% lighter than steel - costs less to ship and easier to position.
- A pre-drilled hole at each corner accepts 12mm anchor bolts for maximum security and stability.

Cylinders stay clear of ground with heavy-duty bottom rack on horizontal locker or strong floor plate on vertical storage locker.

Aerosol Locker

This aluminium construction, aerosol locker keeps cans safe & secure. It is lockable, good looking & non-rusting, with two shelves. Dimensions are 432mm depth x 450mm wide x 670mm high.

Code M23201
