Waste Bins

Wheelie Bins

All bins in this range can be used for the transport storage and recycling of products and waste. All bins are injected moulded from high-density polyethylene (HDPE). Bins 240 to 60 litre are available in standard colours of dark green, nature green & grey. Special colours are red, blue, yellow, burgundy, brown, purple, white & orange. 240, 120 & 80 litre bins are also available in food grade, opaque white, colour. The mini 60 Litre bin has been specifically designed with several unique user-friendly design features. It is a compact wheelie bin that can fit into small spaces, perfect for fitting under benches & bars. They can be lifted with standard lifting equipment. The handle extends to a height of 883mm, ensuring maximum comfort as the user is not required to bend over when wheeling the bin. Handles can also be folded forward. An optional foot pedal allows the bin lid to be automatically & hygienically opened and closed, without using hands to lift the lid.

Wheeli Bins
