COMPACT WIRE ROPE HOISTS

These Electric Wire Rope Hoists are suited for a wide range of applications such as warehouses, construction sites and factories. Due to its compact and lightweight design, it is perfect for when easy installation and quick use is needed.

Features

● Automatic upper limit switch; when rope disc touches the limit arm, hoisting is automatically stopped.

● Dynamic and mechanical brake providing instant and safe braking.

● Convenient 240V / single phase power supply.

● Sensor arm automatically activates lower limit switch to stop motor if rope is under wound.

● Supplied with 3m power lead and industry plug & 10m heavy duty IP65 waterproof pendant control.

● Wire rope with 360º weighted hook with safety latch.

● Optional push trolley mount CRH0720

● Optional mounting arm CRH0710 (not available for CWS300).
