DATA SHEET

Powered Tug - M5 Heavy Duty Tug

ZALLY M5

The larger and more powerful version of the ZALLY M4, the ZALLY M5 is the top of the range tow truck.

It has been designed with health and safety issues in mind by reducing the manual effort necessary to move industrial loads.

With its adjustable tiller head and modern safety systems, it's ideal for towing and pushing. The tray, shown above, is optional.

Despite its compact size, when fitted with the appropriate accessories and ballasts, the M5 can tow loads up to an incredible 4 tonnes on wheels.

Machine length:	1565 mm
Machine width:	795 mm
Wheel base:	670 mm
Frame height:	500 mm
Tiller head height:	1123 mm
Machine weight:	140 kg
Electric motor:	24 V

* Max tow weight conditions apply
