DATA SHEET

Powered Tug - M6.5 Tow Motor

ZALLYS M6.5

Pedestrian operated tug with tiller head steering, compact, practical and powerful.

Thanks to its multiple accessories, M6.5 tows and pushes trailers, trucks, airport trolleys and caravans with ease.

Due to its small footprint, the steering and adjustable tiller head its very manoeuvrable and is ideal for work in narrow spaces.

The ideal solution for anyone who needs to move extraordinary loads up to a maximum of 6 tonnes on wheels.

With multiple hitches, options include the innovative automatic lifting and coupling system with an electric actuator makes hook up operations simple and fast.
