

85,000 Hours
LED Life

MORE Light, LESS Glare!

PATENT PENDING

NEW! LED Dock Eye Series 450 with a Compact Circular LED Light Head

*Durable Compact Circular LED
Light Head with 23° Focused Lens.*

Get all the facts on LED dock lights.

Not all LED lights are created equally. The LED Dock Eye® provides Sustainability by Ensuring Quality and Performance for the Long Term – minimizing your cost of ownership.

Nothing lights up a trailer like an LED Dock Eye®. The LED Dock Eye® effectively illuminates the ENTIRE INSIDE of a 2.4 x 16m trailer. Other dock lights feature a 16m narrow beam of light with a spotlight quality; we focus on details like lighting up the sides too.

Longer Life – Our patented, fan-cooled design allows us to provide a light with superior output, and longer life LED's of 85,000 hours and more importantly, we have eliminated the harsh glare typical of other LED docklights.

Easy on the eyes – Engineered to maintain the same color temperature as our halogen bulb Dock Eye™

Suitable for food grade applications

Air Flow

Twice the Light Output

Withstands Sudden Impact

Stop Replacing Bulbs and Go Green! Switch to long life sustainable LED's

LED Dock Eye® Series 450 Offers MORE Light, LESS Glare!

Don't blind your dock workers — See why color temperature matters

LED Dock Eye® Series 450 illuminates the entire trailer

Other LED Dock Lights use a narrow-focused spotlight effect

LED Dock Eye® delivers more light output with less power consumption and less environmental impact than other conventional light sources

Model 450 Features

- Easily Positioned
- Durable Construction
- Shock/Vibration Resistant
- Fan Cooled
- Circuit Breaker Switch
- Grounded Plug
- Stainless Steel Flexible Tube
- Welded Steel Housing
- Durable Protective LED Shield
- 23° Focused Lens

Product Specifications

- 230 volt, 50-60Hz
- Amperage Draw .5A max
- 57 Watt Average
- Adjustable/Flexible Tube
- Solid State Step Down Power Supply
- Built-in Cooling Fan
- Circuit Breaker Switch
- Pre-drilled Holes for Easy Installation
- 85,000 Hours LED Life

UPGRADE KIT

Upgrade your current halogen Dock Eye® to long life LED's - save energy and reduce maintenance. Upgrade kit includes circular LED light head assembly, flex tube and conversion board - takes only 15 minutes to install. Stock code **450R240V**

Upgrading your current Dock Eye® to long life LED's SAVES ENERGY and REDUCES MAINTENANCE!
