

Surface Mount Cam-Lok Removable Bollards

Surface mount removable bollards are designed for applications where the floor cannot be core drilled or penetrated. The surface mount Cam-Lok is a heavy duty bollard that locks into the surface mounted receiver shoe via an internal locking system.

Note: Bollard and receiver shoe sold separately.

Receiver shoes

5 Keys

Economy Cam-Loks

Note: Our Cam-Lok removable surface mount bollards are now available with the choice of high quality cam locks with security registered keys, OR economy cam locks at a reduced cost. All other structural features and accessories remain the same for both ranges.
