

BULK BAG LIFTING FRAME SPECIFICATIONS

Fork carrier brackets

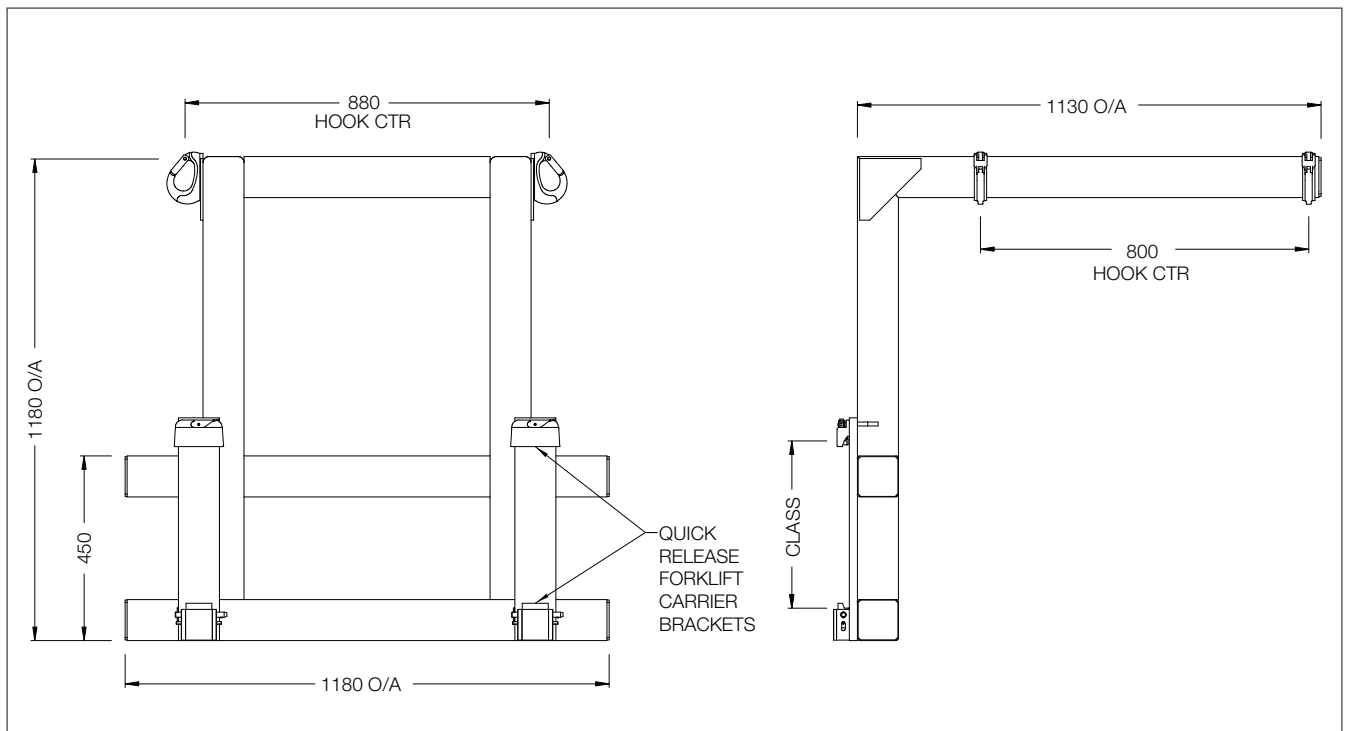

The FBN15-QR Bulk Bag Lifter is a carriage mount attachment designed for lifting, loading and transporting loaded bulk bags by forklift.

Features:

- Allows bulk bags to be easily moved around the worksite or loaded into a container
- Bulk bag is secured via 4 hooks on upper frame for safer handling
- Designed to maximise lift height
- Spring loaded locators and quick release bottom hooks are fitted to the lifting frame for fast connection to a fork carriage
- Enamel paint finish
