ELP-3000

HEAVY DUTY LOW PROFILE PLATFORM SCALE

Fast, accurate weighing and counting of bulk goods.

- Very low profile design allows for loading bulk goods from all four sides.
- Loading ramps can be added if necessary as an optional extra.
- Strong, robust design
- Drop centre model available with the platform height above ground reduced to just 50mm.
- Standard finish is galvanised frame and platform.
- Fully Portable.
- Non standard designs built to specification
- Stainless steel load cells (LCM13-T001)
- Meets National Standards Commission standards and is certified for trade.
- Electronic corner adjustment can be done even when the scale is in a pit.
- Screw on Platform making the ELP-3000 ideal for pit install.
