

STILLAGE CAGE SPCDW SPECIFICATIONS

This multi-use double pallet sized cage provides protection for your goods in transport and storage. It is designed to suit all warehousing and storage requirements, with the advantage of being quickly dismantled for valuable space saving and transport efficiency.

This durable cage can be transported by forklift or hand pallet jack and can be stacked up to 4 high when empty and 2 high when loaded. The base is designed with racking locators making it suitable for storage in pallet racks.

Removable front and rear drop-down gates for easy access, even when stacked.

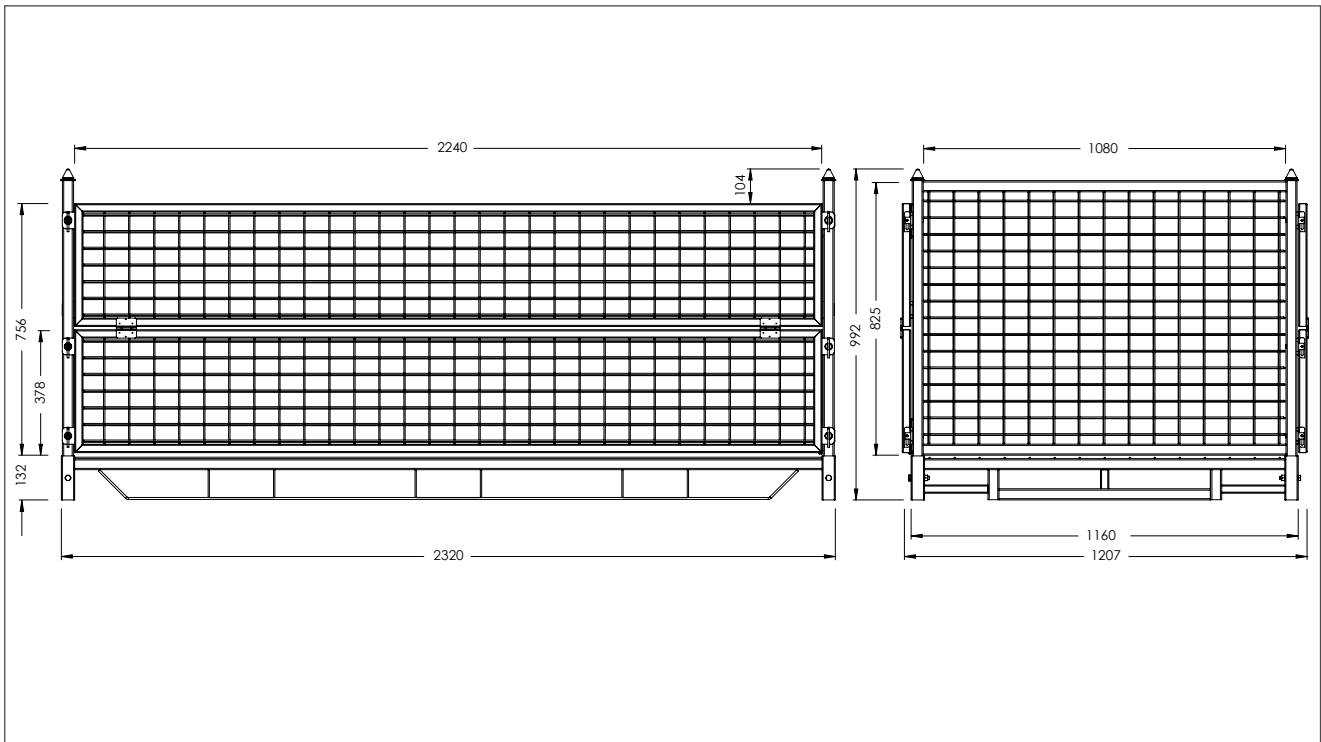

Supplied standard as flat-packed, for onsite assembly.

Zinc Finish
