Foldable handle

CargoMaster C120 S
Height adjustable handle

CargoMaster C120 V
Vario handle

A close-up photograph of a truck's wheel and suspension system. A bright orange protective cover is partially visible, covering the upper part of the wheel. The tire has a complex tread pattern. The suspension components, including the axle and hub, are visible. The background is dark and out of focus.

CargoMaster
C120

A diagrammatic element consisting of three orange dots connected by thin white lines, forming a triangle that points towards the wheel hub area of the truck.
