## Insulated Bins

### Insulated Cool Bins

A fresh approach to food transport and storage.

The range of insulated bins is ideal for preserving freshness in seafood, meat, vegetables, fruit and poultry. They are double walled and insulated with 50mm polyurethane foam, with the lids secured by four rubber straps. They have lid seals, a drain plug, concealed handles and hinged lids are an option (standard on the 75 & 130litre units).

Code SE936C

Code SE1140C

Code SE947

Code SE1191

Code SE764R

Code SE1206R

Code SE1192R

Code SE1224

Code	Capacity litres	External l x w x h
SE936C	75	900 x 550 x 380
