

# POWERED TUG (MINI TUG) ZALLYS M3 SPECIFICATIONS

M3 + Sulo Bin Attachment

## ZALLYS M3

An electric vehicle with tiller head guide. Small, maneuverable, reliable and very powerful it's perfect for indoor and outdoor use.

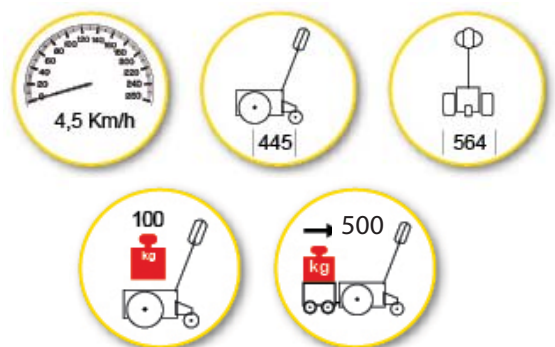

Its compact design permits operation in narrow spaces thanks to the adjustable rudder steering system.

It is equipped with non-marking tyres and gel batteries to reduce maintenance. All Zallys tugs are produced with quality in mind and are CE certified.
