

STORAGE CAGE WITH SHELVES MSHC116 SPECIFICATIONS

The type MSHC116 Storage Cage has been designed primarily as a secure storage unit for building sites. The unit is supplied complete with three removable mesh shelves, mesh sides and a galvanised sheet roof.

A Gate at the front of the unit is able to be hinged either side and is totally removable if required. The Cage also has a drop-down access ramp and a forklift accessible base for easy transportation. The standard finish on the Cage is Zinc Plated. Optional 100mm diameter Castor Kit (2 fixed & 2 swivel) and a Load Binder & Bracket Kit for safe storage of gas bottles are available upon request.

The type MSHC116 Storage Cage is supplied assembled.
